# Class Descriptions

perfect for  
Kindergartners!

## YOUNG SEAMSTERS LEVEL

Children will learn basic hand-sewing techniques and sewing terms. Threading needles, working with pins and using scissors on fabric will become routine. Materials and tools provided.

## SEW FUN! LEVEL 1

Students will learn basic hand-sewing techniques and sewing terms. They will know how to thread a sewing machine\* independently. Students will be introduced to machine sewing, reading a pattern and cutting material according to a pattern. Materials and tools provided.

## SEW FUN! LEVEL 2

This class is for students who have completed Sew Fun Level 1 or have completed a middle-school Home & Careers course in machine sewing. Students will use their newly developed skills to make another exciting project. Students will pin and cut their own pattern for an elastic and drawstring skirt or pants. Materials not included.

## SEW FUN! LEVEL 3

Designed for students who have completed Sew Fun Level 2 course. Students will complete a fashionable advanced level pattern that has been selected by Judy.

## SEW WHAT?

This class is designed for an advanced seamster who has completed Sew Fun! level 2, or a Home & Careers course in school. Students will choose a pattern from Simplicity, McCalls or Butterick books to create a project tailored to their experience. Materials not included.

## INTRO TO HAND QUILTING

Learn basic piecing and quilting techniques. Designed especially for young minds and small hands.

## WORKSHOPS

"Instant gratification" projects are offered on a monthly basis when time allows. Look for workshops during school breaks and days off. The level of experience necessary will be indicated.

## HELPING HATS

Sew Fun! will host a community awareness project called "Helping Hats". Participants will hand stitch, bead and machine sew fleece hats to be given to people in need for the winter months ahead. Time may be used toward honors community service credit. No Fee.

## PARTY AT SEW FUN!
